Miami-Dade BCCO Notice

The Miami-Dade Building Code Compliance Office (MDBCCO) approves Plaskolite's OPTIX and DURAPLEX clear acrylic sheets. However, any customer who intends to use these sheets in applications that are subject to MDBCCO approval should consult with a Plaskolite Representative prior to MDBCCO submittal.

Failure to consult with Plaskolite prior to MDBCCO submittal could potentially result in significant delay or rejection by MDBCCO.
