

## SMALLER, GREENER, FASTER? THINK RUN-TO-SIZE

### IF YOU'RE ORDERING PALLETS OF 4' X 8' SHEET, THINK AGAIN

Run-to-Size sheet solutions from PLASKOLITE are the right way to think about your next order. Think smaller sheet sizes to lower cost by buying in the length and width you need. Think greener by allowing PLASKOLITE to run less material and create less scrap for you. Run-to-Size also means a more reliable and predictable price with 2 week lead times for OPTIX® acrylic and TUFFAK® polycarbonate sheet.
