Pearl Shadow
LM8100

Pearl Shadow

LM8100

Opalescent, misty fog on a dark night, evokes mysterious visions. A desirable setting for sharing tales of intrigue as candles flicker long into the night.

Sierra
GR7114

Sierra

GR7114

Multi-color grains of sand in tan, cream, cocoa, and dark chocolate. The weather-worn remnants of rocks and boulders from a long ago mountain range. A powerful reflection of the past in today's fast-paced world. Rugged, natural and quiet.

Sterling Silver

MB6427

Sterling Silver

MB6427

Swirls of white cirrus clouds against a pale gray sky. A cool afternoon, perfect for a good book or a chat with a friend. Perhaps both.

Storm Clouds
SS6818

Storm Clouds

SS6818

A high-energy outburst of grays, from dark to light. The dramatic effect of an approaching eruption from a darkened sky. Exhilarating and dangerous. Always beyond our control.

Summer Sapphire
GS6790

Summer Sapphire

GS6790

Moonlit shades of indigo blue. Romantic. A coastal evening drive with white caps of star sapphire dancing in the ocean tide.

Tuscan Sun
SS6808

Tuscan Sun

SS6808

As the sun rises on the terrace of an Italian villa, feel the diaphanous swirls of earthly emotions wash away. Anxiety and frustration dissolve into mellow breezes as one beholds this heavenly sight.
